chord_002_02_pdf

The image displays a sequence of musical notation for power chords in the key of A major. It consists of seven staves of music, each representing a different chord. The first staff is labeled **A^P** and includes a treble clef, a key signature of two sharps (F# and C#), and a time signature of 4/4. The subsequent staves are labeled **D^P**, **A^P**, **E^P**, **D^P**, **A^P**, and **E^P**. Each staff contains four measures of music, with a double bar line after the second measure. The notation uses a simplified style where the notes of each chord are represented by a single thick horizontal bar across the staff, with individual notes indicated by small black dots. A lightning bolt symbol is placed between the second and third measures of each staff, likely indicating a specific guitar technique or a change in articulation.
